Matt

One quick question. Since you will be sampling on HCTRA property wanted to know about access. Does your access agreement include EPA, EPA Contractors, and TCEQ or do we need to get a separate one?

Also, if we need to get a separate one whom do we need to get it from? Please let us know so we can get that. Thanks.

April – yes, we can start first thing Monday. I have cc'd Roberta Russell on this email – she is our Field Supervisor for the RI/FS. I will let you all coordinate the actual logistics.

Thanks

Matt

Hi Matt,

We should have our laboratory procurement finalized this week, therefore, I would like to coordinate schedules with you for background soil sampling next week. We can start as early as daybreak Monday morning and are available through the end of the week, as necessary. Please let me know when you can today.

Thank you,

April

Matt

Just to let you know, April Ballweg of EA Engineering will like to coordinate sampling schedules with you for next week. She will email you and cc me on it just to make it more efficient.
